Scientific Program (preliminary)

### General information

Carolina Tower is the closest hotel but there are plenty of others nearby. Single rooms available from 1790 SEK and Twin-doubles at 2007 SEK/night.

Use code SHMS2026 when you book.

Call +46 8-400 071 00 or for booking

Blique by Nobis is another good option.

### Registration and Payment

Registration is made by Payment of 3100 SEK to PlusGiro: 2 16 84-6 or

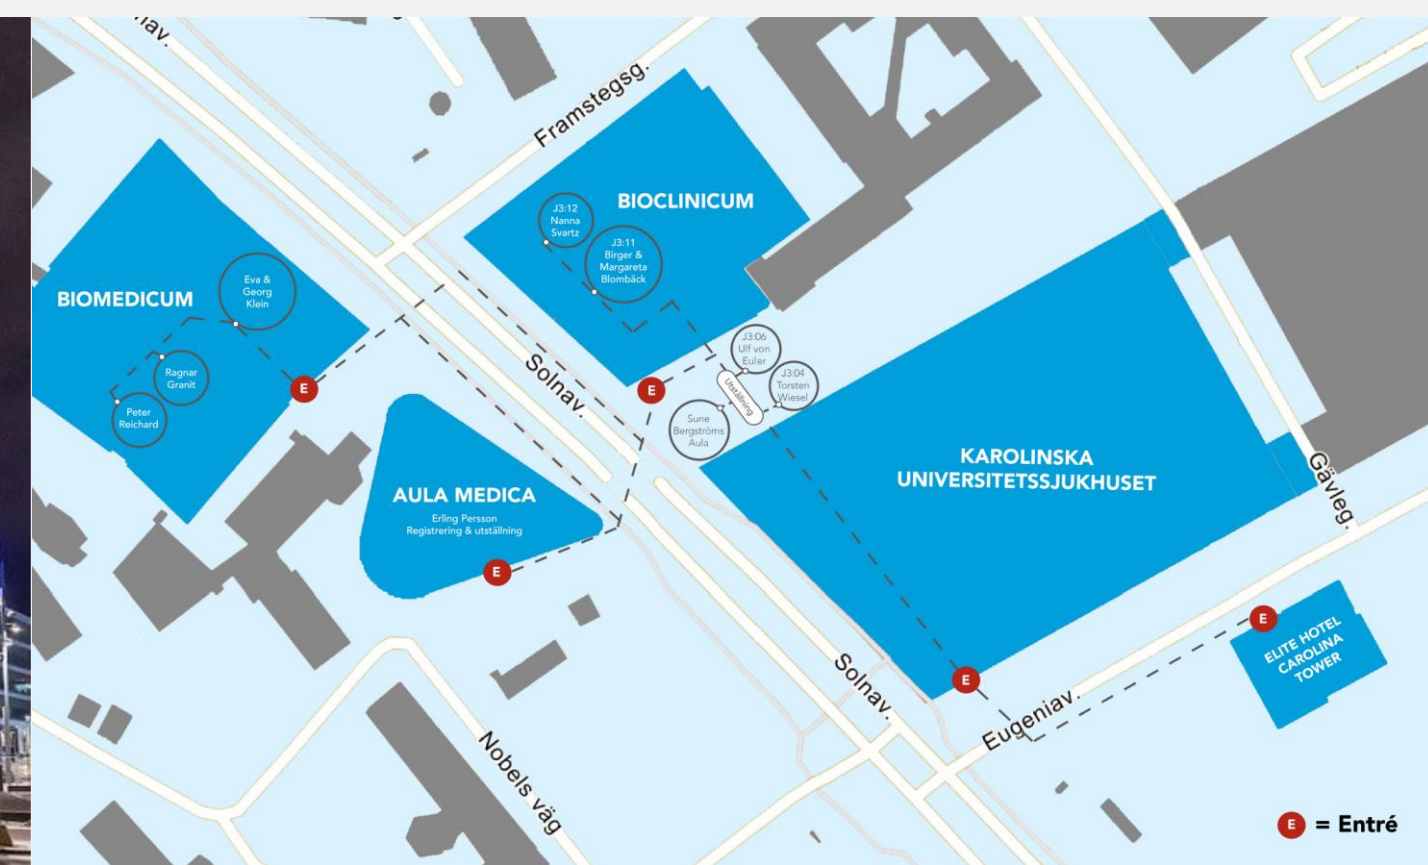

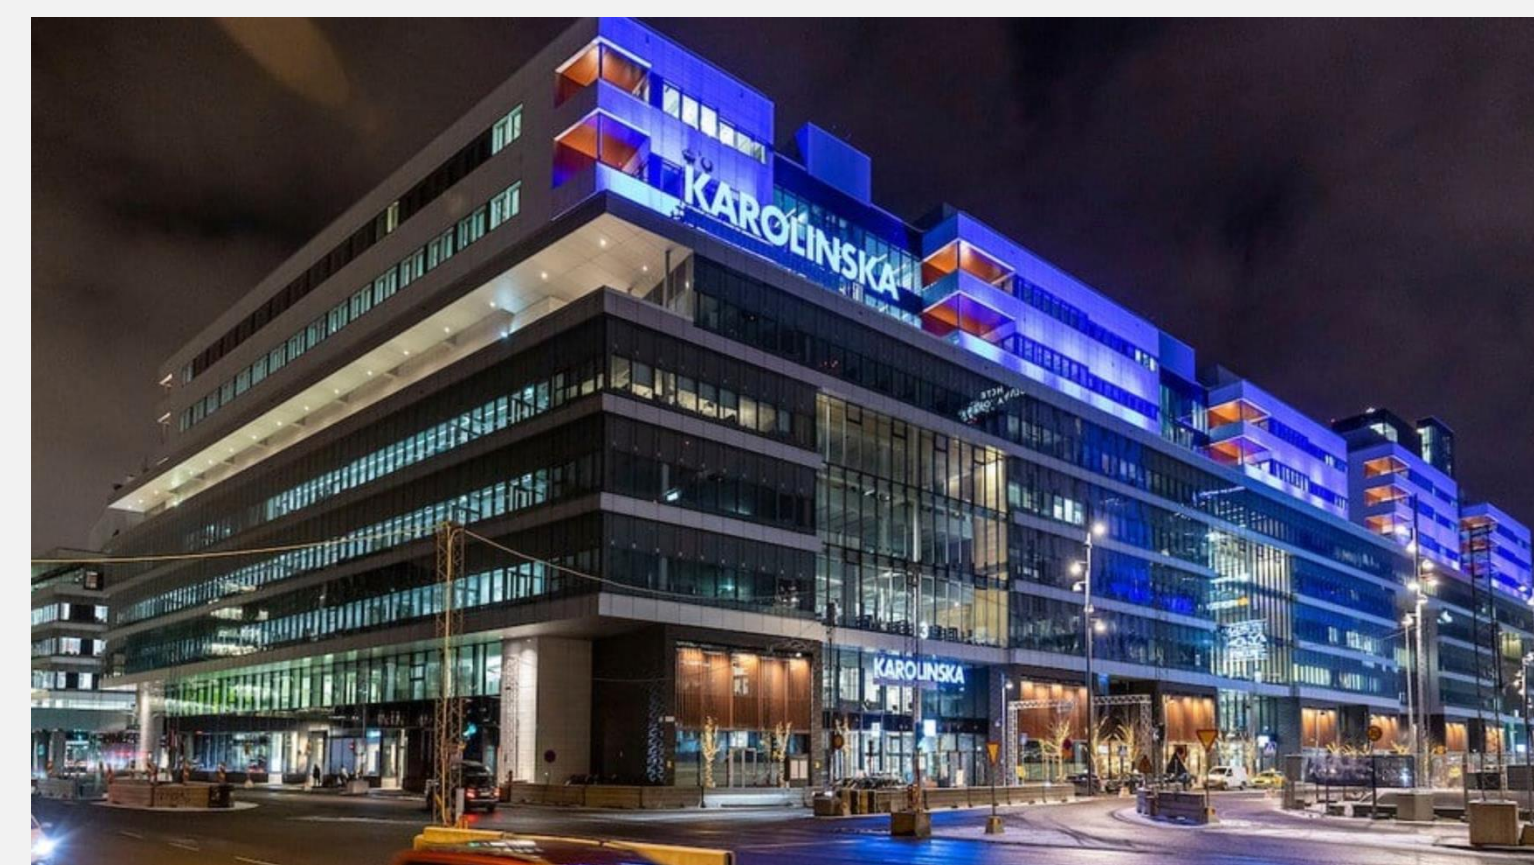

IBAN: SE19 9500 0099 6042 0021 6846

BIC-kod (SWIFT-adress): NDEASESS.

Payment is due March 18, 2026.

### How to get here and around

Download the SL app (Stockholms lokaltrafik) or use your VISA-card in most public transport. Uber or Bolt are recommended if you take taxi. Cheapest way to get from the airport is Bus. Flygbussen stops outside the Hotel. You can also take the local commuter train to Odenplan and walk from there.

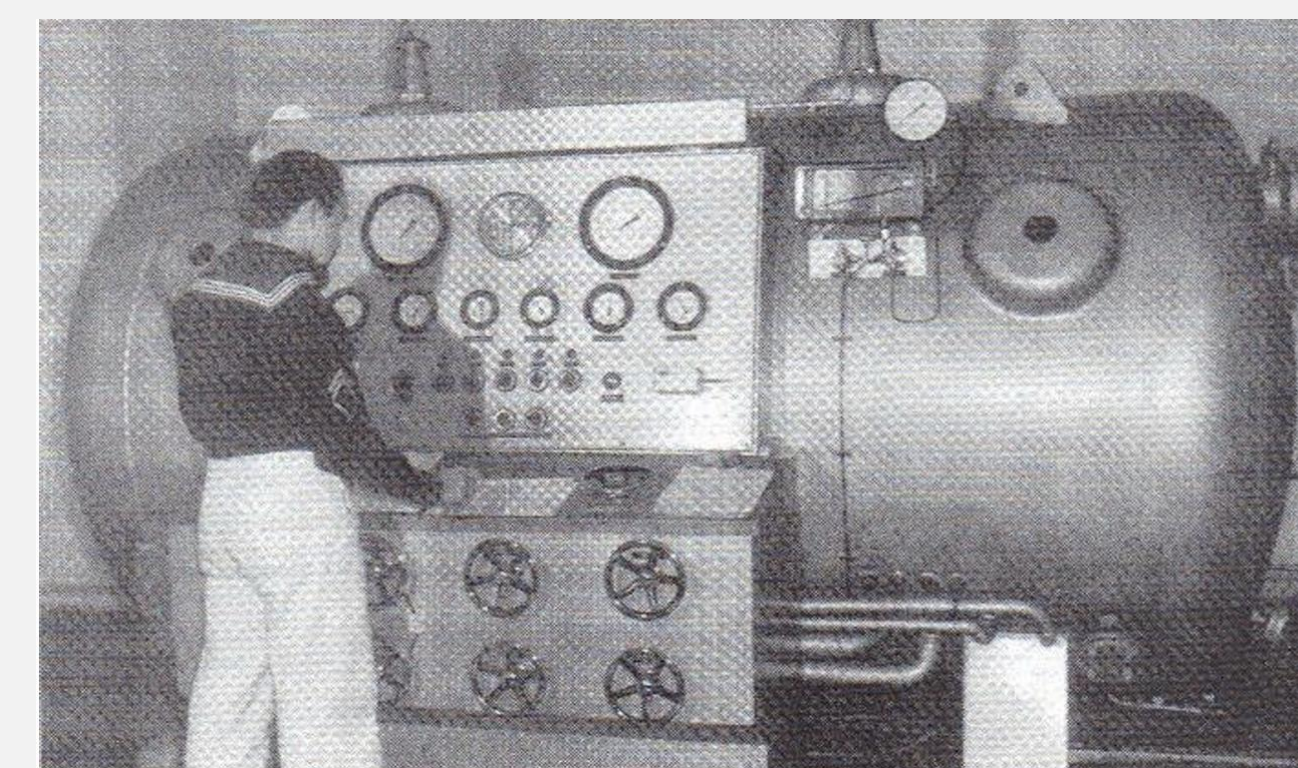

Venue: Karolinska University Hospital, Eugeniavägen 3, 171 64 Stockholm

Conference is held in Bioclinicum, J3:12 (Nanna Svartz)

### Highlight:

Monday evening, we dive into Swedish Diving history at Dyktankhuset. Here we mingle with drinks and snacks and explore 100 years of Swedish diving & hyperbaric medicine history, technology, and hands-on insights beneath the surface.

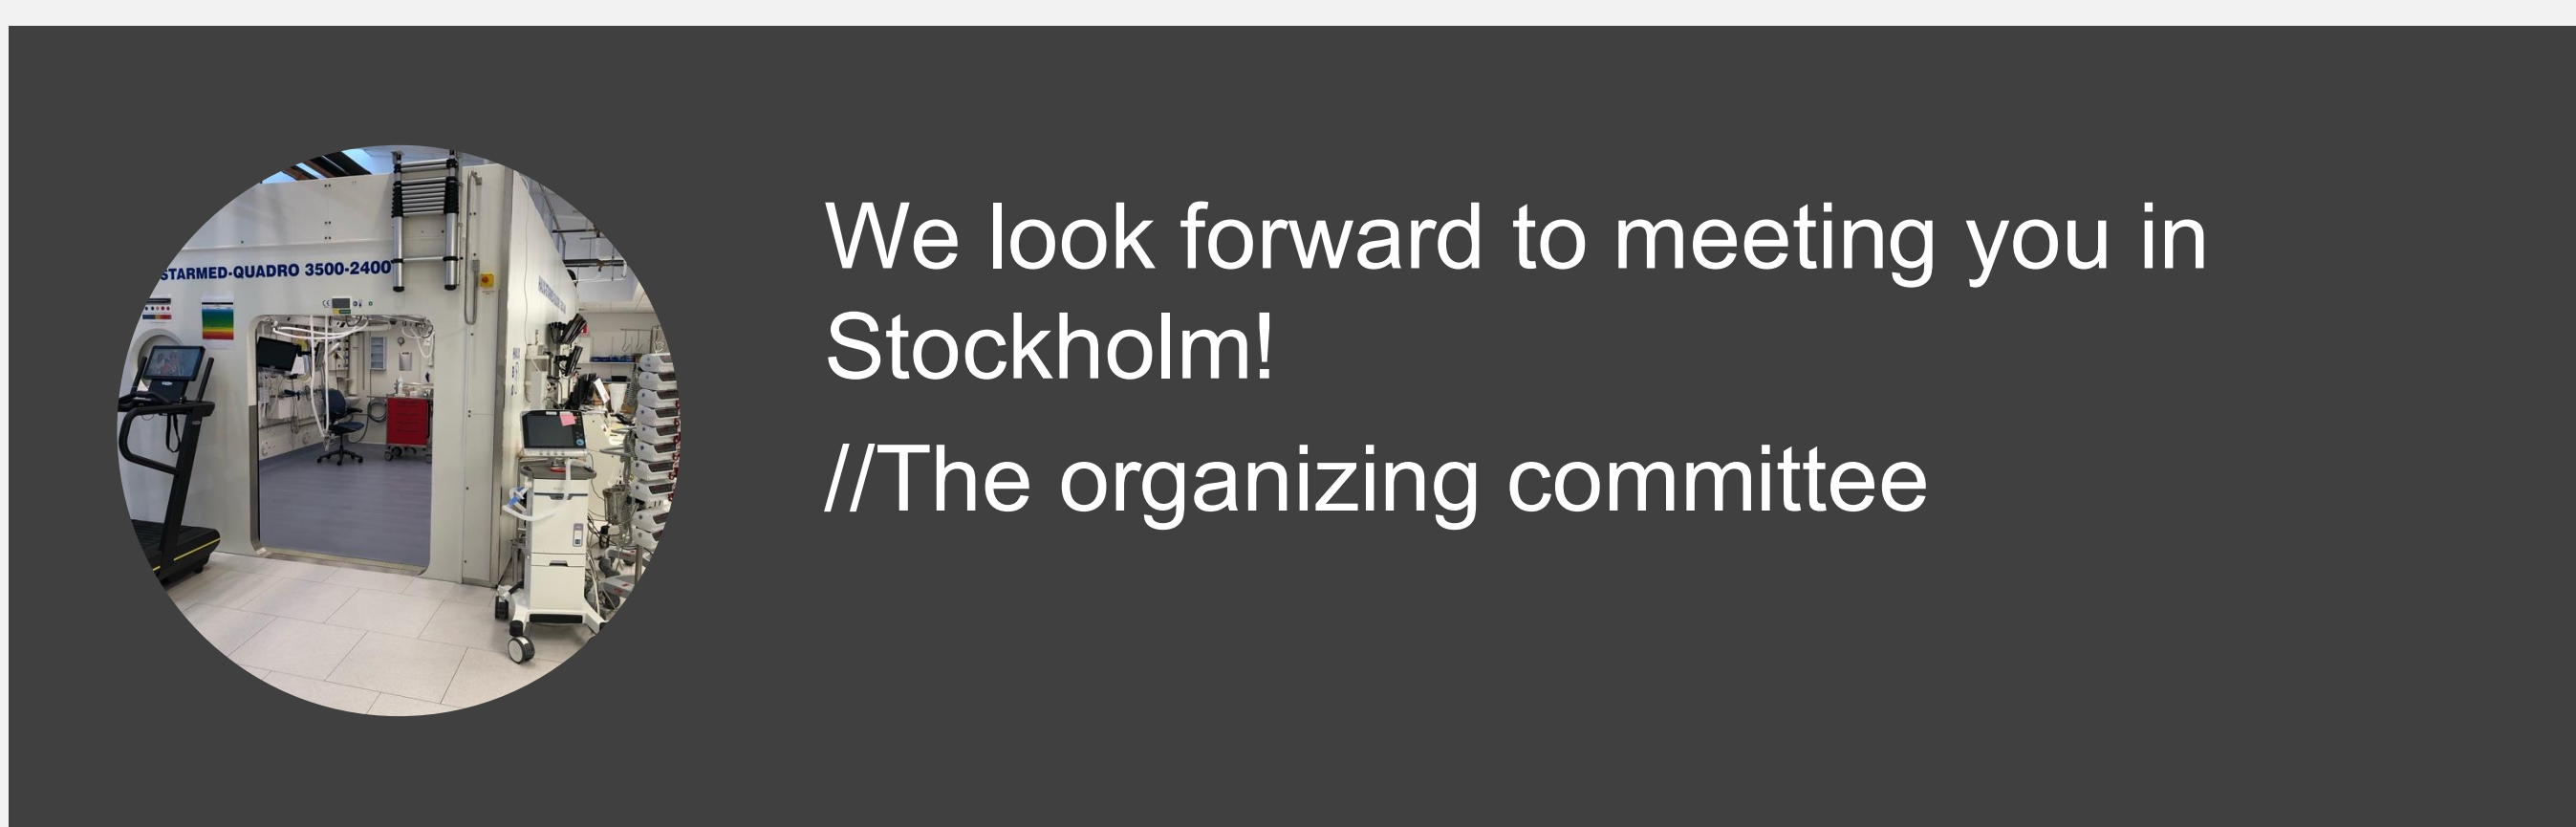

Taxi from the Hotel or Metro (Tunnelbana) and Bus.

Address: Djurgårdsstrand 7

### Dinner:

An evening at Spritmuseum, adjacent to Dyktankhuset—a refined setting for collegial discussion, reflection, and networking following the day's scientific program.

Address: Djurgårdsstrand 9

We look forward to meeting you in Stockholm!

//The organizing committee
